KAREN

Karen from Cirencester is the sort of supple girl who can wrap her legs round her head, limbo under a car park barrier and suck her own pussy. We can barely get out of bed in the morning without needing an inhaler but that's no skin off Karen's button nose. "As long as you've got a stiff cock you can let me do all the hard work! "Fuck me with it," she said, and lay back on the bed and opened her legs. He cunt was hairy and her bush was drenched in pussy juice.

No need to eat it, I just got between her legs and ploughed right in!

She was loving it, coming out with all kinds of stuff – stick it in me, fuck my cunt you big bastard, I want you to fill me up with cum!

I told her to get on her hands and knees so I could fuck her from behind.

Slapping her arse and

fucking her nice and hard, she was saying the dirtiest of things and I couldn't resist pulling my cock out when I was ready to cum and spunking right on her ring!

I had so much jizz, it just splashed off her and gushed down on to her gaping cunt and into her hole.

I wiped my dick on her arse, feeling exhausted. My mate been there the whole time and once I'd climbed off the bed he got back on and took over from where I left off!

Stu, Margate.

Gape mates

Last night, my mate asked me if I wanted to fuck his missus!

He pushed me into his room and there she was, kneeling on the bed, her massive tits taking up all the view.

I stood in front of her and she slipped her hand up my boxers and felt my hard cock, wanking it gently.

Then she pulled my shorts down and put my cock in her mouth, sucking it deep.

I looked down at her sucking me off and I could see her big tits down there looking at me so I asked her to wrap them round my cock.

My dick disappeared into her tits, peeking out now and then as she tugged me off.

I spunked right on her ring

Fisherman's friend

Alan my partner loves taking sexy photos outdoors which usually ends up in a tangle of outdoor sex!

So on a fine and summery day I got dressed in stockings and suspenders and we set off to a discreet stretch of riverside for our first sexy outing of the year. It had been a very long winter indoors!

When we arrived we looked around and decided we were all alone except for a few boats in the distance. Both of us eager for some fun, I undid my jacket and flashed my tits for Alan's camera, accompanied by his enthusiastic comments.

I lifted my skirt to expose my shaven pussy and Alan clicked away madly. Soon I had my clothes off. It felt

I fingered my clit as we strained towards orgasm

and we both strained towards orgasm till finally we were both there, hot jets of spunk spraying up my hole.

It felt even better being out in the open. It was time to get dressed and go to the pub for lunch.

As we were leaving to our

surprise a fisherman stood up in the reeds on the other bank and gave us a round of applause.

He must have watched the whole thing from his hiding place – he had a rod in his hand that wasn't a fishing rod!

great to be nude outdoors again in the sun.

Alan was instructing me on how to pose. He was loving bossing me around and had a big hard-on in his jeans to prove it.

I thought it only fair his cock had some sun too so I undid his zip and out sprang his hard prick.

It was so inviting I just had to suck it. I squeezed his balls with one hand and fingered my clit with the other as my head bobbed up and down on his shaft.

My pussy was soon wet and sticky and I really wanted that cock up me.

Alan pulled his

prick out of my mouth and told me to get on all fours. I felt his cock slide up me inch by inch then suddenly force all the way up with one firm push.

With his weapon in me up to the hilt he started going into me hard and fast, his balls slapping against me with every stroke, my big heavy tits swinging and bouncing wildly.

I tightened my grip on Alan's cock with my pussy and could feel he was about to cum.

I wanted to cum with him so I furiously fingered my clit

BEHIND THE SCENES AT ESCORT

TEENY ANGELS!

Everyone loves big boobs in the Escort office, especially mine. As for me – I love the attention but hate the back ache. Which is why I'm so envious of these flat chested fuckstrels on Adult Channel DVD's *Itty Bitty Titties*. In fact they make little tits look like an option, hmmm, which is doing girls like me out of a job. So... who wants beestings when you can have cantaloupes!?! Leave off the small potatoes lads, get your mitts on my Maris Pipers. Nice for a change, but I suffer back ache for a reason fellas!

When Sarrah from Hull says she's going to do some DIY that normally means she's going to give her pussy a damn good thrashing with her favourite dildo. But on this occasion she actually meant DIY, you know, with brushes and white spirit and screws and that. Obviously it didn't go well – we reckon she should do what she usually does in this state of undress and get a man in.

REAL WIFE SEX

Monica,
Shropshire

**A picture tells a thousand words
– but not all of them as dirty as
Monica's filthy photo confession**

When my husband, Gary, bought a digital camera, he got this big idea about taking nude shots of me to hang up in the bedroom. The only problem was, he's a really shit photographer! He was so disheartened that I didn't make him beg too hard before I let him take a few pussy shots. Nobody would be able to tell which bit of me it was anyway!

He'd got the naked pictures idea in his head, though, and as we couldn't afford a professional shoot, he decided to get a mate of his, Eric, who is a pretty good

photographer, to snap me.

I don't want to sound too arrogant but I know I look good – I've overheard someone describing Gary as "Gal – y'know, the one with the really horny missus." So I'm not shy about posing nude. Gal said it would all be tasteful anyway, not that I believed him.

I'd only met Eric once or twice – nice lad, a bit quiet. But when he got behind the camera he was different, just so into what he did, and a good laugh with it. He started flirting with me, which Gal thought was funny,

although he got a bit territorial with me.

We'd started out with a few bikini shots, and when I got my tits out, my nipples were flat. So Gal stepped in and gave them a suck so they stuck up. They ended up glistening with saliva, but Eric told us not to mop them dry – he said every time we looked at the photos, the sexy memory would come back to us.

My nipples weren't the only thing getting erect, especially as the shoot went on and I lost my clothes. We did the tasteful nude thing, but Gal wanted something harder, just for me and him, so the next batch had me stood up, sat down or bending over, opening my slit up with my fingers, or sticking them inside it. Gal looked like he'd never needed a wank so bad, and Eric was just flustered.

That's when I played dirty, spreading my legs on either side of the chair, blatantly playing with myself. "Well, if I'm

**I wasn't leaving
unshagged**

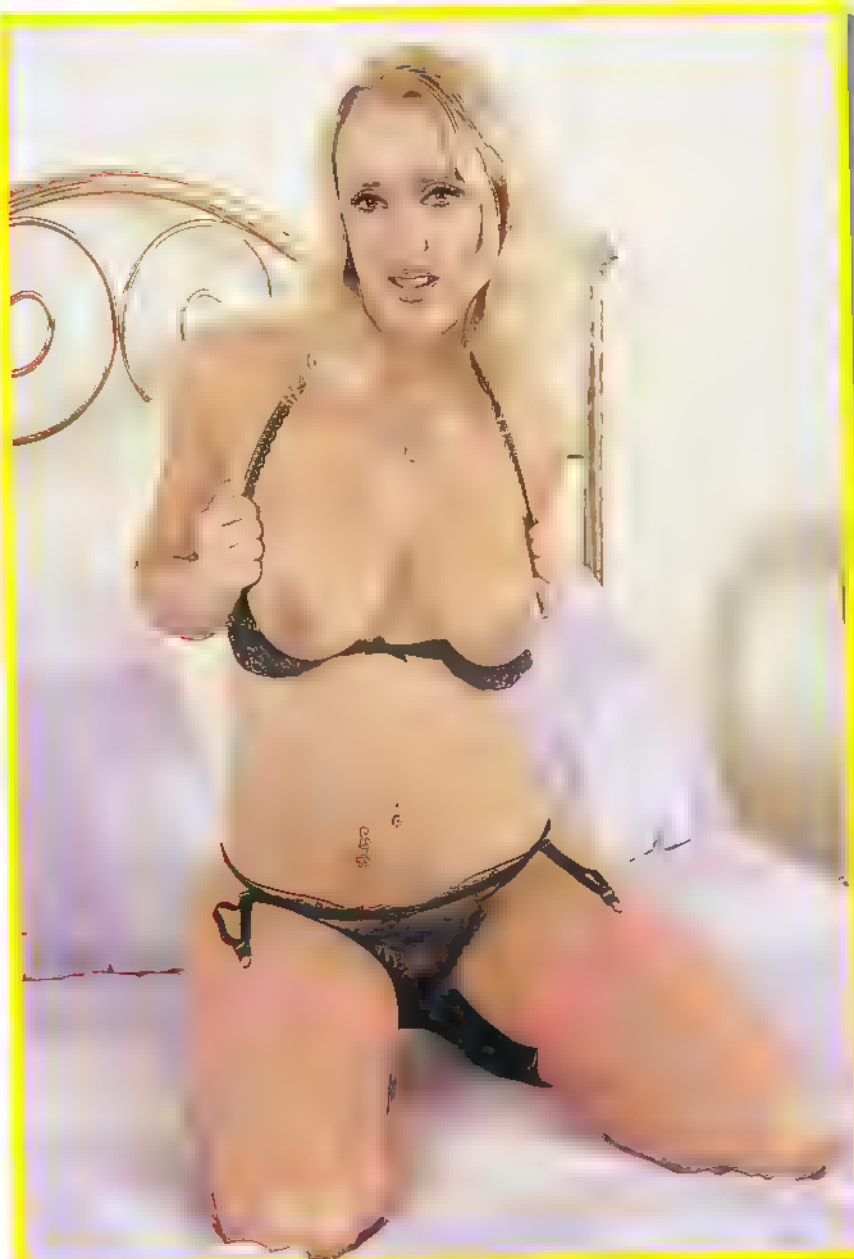

not gonna get fucked," I said.

Eric just looked helplessly at Gal, who said, "Go on."

Eric was rooted to the spot, so I came over to him, snogging him and placing his hands on my naked arse. When we pulled apart, I sneaked a look at Gal, in case he wasn't happy about it after all, but he was loving it. Then I gestured for him to come over to us. He got in behind me and grabbed my tits, and I felt his denim-clad crotch rasp up against my arse-crack, as Eric pulled my cheeks wider. I unzipped Eric's flies, and Gal followed suit, dropping his own jeans and pulling off his shirt.

Now I was on my knees wanking and sucking the two cocks in front of me, switching them from hand to mouth, as I tried to decide what I'd do with them. Maybe one up my cunt and the other in my arse, but the lads had their own ideas.

Eric wanted to get a few really hardcore shots, starting off with me sucking Gal's cock. "I'd better be on a fucking promise," I told him, determined he wasn't leaving this place unshagged. He just nodded. He actually forgot to snap us for a few seconds, frozen as he watched me lap at Gal's tip, then suck him in so deep my nose disappeared into his thick pubes. He also had a fast-

frame set-up, and actually managed to capture a spurt of spunk going in my mouth.

I was turned on, but more desperate than ever for a crack at Eric – so I asked would he take a shot of his own cock, with me straddling it. He seemed to wish he'd thought of that first, and still spent ages getting it perfect. I just hovered over him, cupping his helmet, juices dripping

out onto it from my pussy.

"Slow..." he told me as I inched down onto it, wanting to catch it sliding in bit by bit, the wetness bubbling out as it forced its way in. He would have had a great view of my lips engulfing his thick rod and the sparkly globules of my cunt cream clinging to his shaft.

That was it, though. I rode him for a couple of thrusts, then called Gal over

to get the camera. When I fuck, the only focus is me! By the time Gal came back, to feed me his cock again, I was riding Eric hard, using my pelvis to pin him down just to be sure I had his undivided attention! I thrust my tits into his face and he hungrily sucked on them as I pistoned

Six foot tall and muscular – that was the two carpet fitters who came round last month.

It was a hot day and they were both wearing shorts and vest tops and when I opened the door to them the temperature felt like it had gone up fifteen degrees and I got a

had taken off their vests and were showing off their tanned muscular chests.

I asked them their names. Colin and George they said. I fancied them both but Colin slightly more because the bulge in his shorts was so big it could have taken your eye out.

It didn't take long to do the living room and they asked

There were two carpets to fit – one in the bedroom and the other in the living room. They said they would do the living room first. I asked them if they wanted a brew and went into the kitchen to make it.

When I came back I nearly dropped the cups. Both lads

to go upstairs. I went up first and I knew they would be getting an eyeful of my pussy. I had a short skirt on and wasn't wearing knickers. My pussy was wet through and I was well up for it.

At the top of the stairs Colin said he had a massive hard-on and wanted to put it somewhere warm and wet.

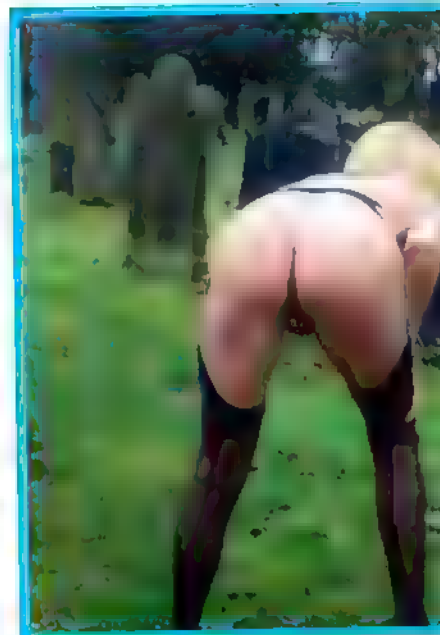

I took hold of his hand and led him to one of the bedrooms, beckoning George along as well.

We couldn't strip off fast enough, our hands all over each other. Colin pushed me down on the bed, spread my legs and tongued my clit. While he sucked and licked me, George put his cock in my mouth.

I sucked on that for a while then reached under my pillow for my dildo. I handed it to Colin and told him to pump me with it.

The feel of two cocks (even if one was rubber) and a tongue made me cum in seconds. I gushed all over Colin's hand and the shaft he was thrusting up me.

Colin lifted me up onto all fours and slid his eight inch

cock into my cunt. I was still sucking George's as I came again.

I told them I wanted to be fucked in my cunt and arse at the same time.

Colin lay down on the bed. I knelt over him and hovered over his bulging bell-end. George came up behind me and nudged the end of his cock against my arse. I backed onto him and his cock slipped up my back passage.

Then I sat down on Colin's prick. Everything was a perfect fit. The feeling of having two cocks in my cunt and arse at the same time was so great I came again and again.

They soon got into a rhythm and fucked me at high speed and with great power. I was screaming in ecstasy and wanted more. Both Colin and George came at the same time, filling both holes with lovely spunk.

I sucked the spunk and my juice off their limp dicks but I must have done it well as soon they were hard again and they both came again – Colin shot his spunk down my throat and George did it all over my smiling face.

A few minutes later they shot third loads in my mouth and cunt.

I swallowed Colin's spunk and scooped George's from my slit and ate that too.

After a bit of a breather Colin and George fitted the other carpet. I am now off to the carpet shop to get another one fitted. With service like this I will soon have the whole house done.

Roast sinner

Recently I met up with three fans while on holiday in Skipton. I sat in the bar at the hotel while Phil my husband got the drinks in for my three new pals – Dave, Nigel and Tony. I let my skirt ride up to expose

lips in anticipation.

We went off the path and deep into the woods. I lay down on the travel rug and pulled my knees up to my chest.

Phil asked the guys if anyone wanted to get his wife wet. Nigel was straight down between my legs to tongue

Nigel penetrated my pussy from behind.

I was in ecstasy as they slowly fucked me good and deep. Dave lay under me and fingered my swollen clit. Soon I was letting out muffled screams from around the cock in my mouth and bucking away as orgasms flooded through my body.

Tony pulled his cock out and told me to keep my mouth open. He wanked his fat cock and came all over my face and tongue. Then he pushed his dick back in my

mouth to suck clean.

I felt Nigel stiffen and start to shoot his cum deep inside my pussy and all the while Phil was snapping away with his camera.

Nigel then said it was Dave and Phil's turn. He would hold the camera while they spitroasted me. That's what they did – Dave shot his spunk down my throat while Phil shot his spunk all over my arse after steaming his cock up my pussy.

Then I got on my hands and knees. Tony knelt in front of me and pushed his swollen cock into my mouth while

REAL WIFE SEX

Monica's story continued from page 19

ing and my pubis quivering as Eric's cum ran in rivulets off my mound and down the sides of my legs.

We gave up on taking any more snaps, and spent the next two hours fucking. It was pretty intense for me, at the centre of it, and as I lay on a rug, sodden with spunk, I thought I'd taken all I could handle. Eric asked could he have a shower before he left, and so I

He wanted to hammer my hole

showed him where and left him to it.

As I was sipping a glass of wine, he called to me, saying he couldn't get the hot water working. I went upstairs, confused when I saw the bathroom was steamed up. Then Eric said it was just his way of getting me up there. He said there was just one more thing he wanted to do – fuck me up the arse.

He'd done me everywhere else, and I'd got my breath back. I bent over the tub, tingling all over as he squeezed some body lotion on my crack, then

my crotch down on to his gorgeously thick cock.

We didn't stay like that much longer, though. Gal wanted to toss off on my tits, so I lay back and Eric penetrated me, my legs up on his shoulders. I took Gal in my mouth again as he dangled over it, but when he reached down to

I'd taken all I could handle

fondle my clit I couldn't keep sucking him much longer.

Then it all happened so fast – Eric was bucking into me while Gal wanked just above my face. It was so horny to see his big hairy balls in close-up. I saw the swollen globes rise and draw themselves into his body before I felt hot, wet drops hit my boobs, and all of a sudden Eric was down to his balls in my cunt, flooding it with cum too. When I thought he'd finished spunking, and he pulled out, it was still jetting from his tip, all over my mound. I came hard, my pussy convuls-

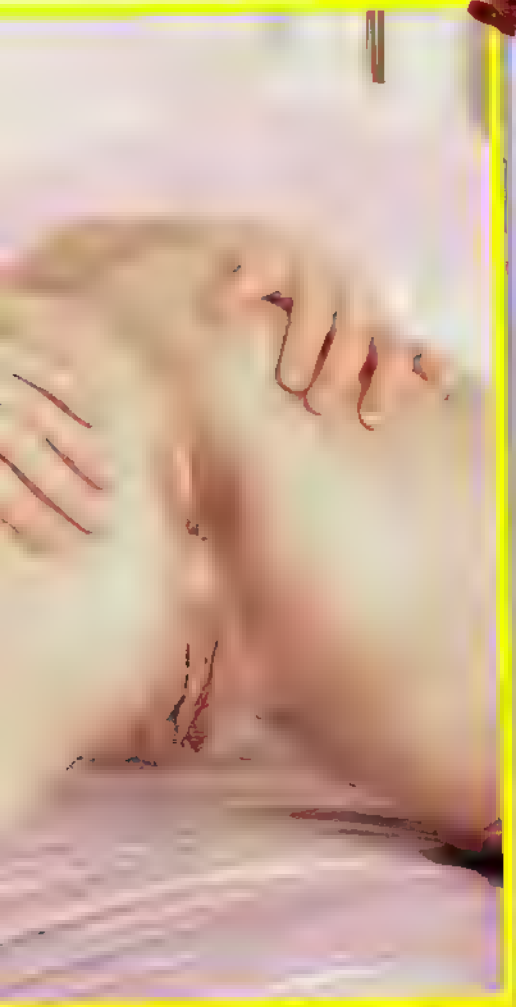

played his prick along it to get himself hard enough. I moaned as he pushed in, and moved my arse against him rhythmically as he started to fuck me.

Gal was the only other man who'd ever given me one up the bum, and this didn't really compare – but I knew I'd still cum anyway. I thought of my other half and all the things I was going to do with his prick later on, and just relished this for what it was – another hard dick in my arse. I felt Eric get close to cumming and strummed hard on my clit, so that we climaxed at almost the same time.

Eric was definitely the better snapper, though. The pictures were pin-sharp detail, and he just had this talent for catching the horniest moments, even ones that should have been too fast to see with the naked eye.

And talking of naked, the arty nudes of me look great in the bedroom. The one that Gal carries in his wallet's pretty filthy, though, and I'm sure Enc printed off a nice little toss collection for his own use! 🍆

"These are my pulling panties," grins Emma (21). "I always get lucky when I'm wearing these. I was wearing them when I lost my virginity to my boss. He was hot, and loaded! Last week I was wearing them when I picked up a stranger waiting for a train and sucked him off in the ticket office! Now give them back – I'm going out tonight and something tells me I'm going to get lucky again!"

Cock trap

Vicky had been swinging with me for about a year but it was always in couples where she would do girl/girl and fuck the girl's partner too.

This time she wanted to try double penetration so we invited over a friend of mine, Steve.

Steve had always known about our swinging and was desperate to get involved so when he turned up we wasted no time.

He sat on the sofa and Vicky sat next to him wearing a very skimpy skirt and vest. She talked and as she talked she ran her hands up his thigh and rested it on his cock.

When he was hard, she stopped and turned to me. I

opened my trousers and took out my cock and she started to suck me off sitting next to Steve.

"Why don't you get your cock out for me, too?" she said to Steve and he was up like a shot, his cock out next to mine.

Vicky wanked my shaft and sucked on Steve's meat, swapping them both and enjoying each one's special features.

Then it was her turn. She told Steve to lie down on the floor and then she straddled his face, wriggling as he licked and tongued her pussy.

More please

This is my girlfriend Shannon and these are the first pictures we've ever taken of her.

After we took these pictures and I put the camera down

both of us were very horny. Shannon crawled over to me on her hands and knees, a dirty look on her face, and pulled down my shorts. My dick sprang out at her!

She pulled them down to my ankles and licked my thigh right up until her tongue was under my balls, then she kissed them and gently sucked one into her mouth.

Then she lifted her face until her mouth was right in front of my cock and opened wide, looking up at me and waiting.

I slid my cock close to her mouth, circling her lips with my helmet then patting her on the cheek with my whole cock while she pre-

Standing up, she turned her back on me and pushed her bum up against my cock, bending over and spreading her legs. With her cunt she searched for my dick, rubbing its tip against her slit and then guiding it into her hole with a fingertip, easing herself slowly onto my entire length.

All I had to do was stand there as Shannon began to rock back and forth, up and down on my cock, slowly building up speed and playing

with her clit.

I knew she was close to cumming when she reached down with her other hand for my bollocks, cupping them

From behind I rimmed her sweet ass, delving a finger in when I knew she was ready for it and once I had it in she said she wanted two nice big dicks up both her holes.

I took my finger out of her ring and watched as she stood up and then lowered herself down onto Steve's waiting cock.

When she was all the way on, I climbed in behind her and let her have all my eight inches deep into her arse.

We let her do all the work, grinding herself onto both of our poles, moaning and groaning like I have never heard her do before.

She came fast, trapped between two cocks and it was our pleasure then to use her as we wished.

Steve was really into fingering her arsehole – I reckon he'd had many a wank fantasising about this because I remembered him asking me if she took it in the arse in the pub once.

Me, I love to watch her sucking cock so I told her to suck Steve off and wank my dick into her face.

We were happy to finish her special night off by giving her one of the largest pearl necklaces any of us had ever seen!

in her palm and squeezing them, trying to coax my cum out.

And when she came she held on tightly to my balls and ground her cunt around my shaft, short ecstatic gasps coming from her mouth.

I was ready, so I pulled

out and Shannon reached over her shoulder and gripped my cock as I sprayed spunk over her arse and back, wanking it slowly to tease the last few drops onto herself.

So did that turn you on? Let us know!

Patrick, Liverpool.

Cum over

I love fucking another man in front of my husband, especially if he's screwing another woman at the time.

I might be sucking on a cock and I can look over at him with as much of this stranger's dick in my mouth and see him quicken his pace as he's fucking the other guy's wife on the floor.

What William likes best is having his cock sucked by two girls. The amount of times I've been covered in his spunk while I'm French kissing another girl, tasting his semen as it lands in our mouths...

I like to fuck – any man who is hard for me and my body is a possibility. I like to be on top best, controlling how fast

cock as deep inside my nice, wet, tight pussy as it can go.

Would you cum inside my pussy or would you like to shoot your cum onto me? If you came inside me I would finger it out of my cunt and lick it all off because I love to

Kiss me with a spunk-filled mouth

and in which direction.

We're looking for a couple where the guy is well endowed as my husband would love to watch me getting as much dick as I crave.

Are you big enough to fill my pussy? If you are, I will try to take as much of your cock into my mouth and you can fuck me from behind – I want to know if I can take a big, fat

swallow spunk, especially if it's been up my cunt first.

You could cum in your girlfriend's mouth and she could kiss me with a spunk-filled mouth and let me have it all off her. Then you could fuck her in front of me and when you came inside her arse I would drink it all down as she dribbled it into my mouth.

Mel, Yorks.
